INSTRUCTIONS

This form will be executed in full upon the acceptance of a commission or appointment in the Army of the United States. Typewriter will be used, if available.

FOR THE EXECUTION OF THE OATH OF OFFICE

1. Whenever any person is elected or appointed to an office of honor or trust under the Government of the United States, he is required, before entering upon the duties of his office, to take and subscribe the oath prescribed by section 1757, Revised Statutes.
2. Oaths of office of Army Officers, nurses, and warrant officers should be taken before some civil officer who is authorized by the laws of the United States or by the local municipal law to administer oaths; or before a judge advocate or acting judge advocate, the president of a general or special court martial, a summary court martial, the judge advocate, or assistant judge advocate of a general or special court martial, or the adjutant of a command. Officers of the Army other than those specified are not authorized by law to administer such oaths.
3. Confirmation by the Senate does not of itself continue in force a recess appointment and commission. A new and distinct appointment after confirmation is necessary and a new oath of office must be executed for such appointment.
4. Immediately on receipt of a commission or notification of appointment the appointee will, in case of acceptance of the commission or appointment, return to The Adjutant General the oath of office on this form properly filled in, subscribed, and attested. In case of nonacceptance, the commission or notification of appointment will be returned to The Adjutant General by a letter indicating the fact of such nonacceptance.
